☐ **Yes! I am interested in a Spanish dual language program for my child.** **Please note that this program is for 3 and 4 year olds only. This program is based on interest and therefore not guaranteed. There is no extra fee for the dual language program.*

Please note the following:

- 1) Program admission is based on available space and on a one-time intake conducted by YNS staff. Your deposit will be refunded if your child is not accepted into the YNS program.
- 2) As in past years, class structures are based on a number of criteria including age and development. All YNS classes may combine morning, afternoon, and full day children with curriculum modified in order to best serve each group. Classes may have children born in consecutive years such as those born in 2013 and 2014. Decisions about class placements will be made prior to orientation and will be based on enrollment patterns and what is developmentally appropriate.
- 3) If you live in New York City and your child was born in 2013, (s)he is eligible to participate in Universal Pre-K program (UPK), which is a no fee program taking place from 1 — 3:30 pm. We will distribute documents for submission upon receipt from the city. UPK Program availability and schedule at the YNS is dependent on annual approval from the New York City Department of Education.
